9 December 1958

The Perkin-Elmer Corporation  
Main Avenue  
Norwalk, Connecticut

Gentlemen:

Reference is made to paragraphs b. and c. of PART I of the Schedule under Contract No. HF-32-27.

The referenced paragraphs described in general, the Government-furnished equipment and material that is being made available to the Contractor for use under the subject contract. In order to be more specific, it is deemed appropriate that a complete description of the Government-furnished property be made a matter of record by this letter which shall be come a matter of record in the contract file.

Our records indicate that the equipment and/or materials set forth in the attachment to this letter have been furnished to the Contractor. Contractor is requested to review this list and by written reply indicate concurrence. If there are any additions or deletions which should be made to this list please advise.
